**DEFIBRIALLATOR UPDATE:** As of Nov. 2005, the American Heart Assoc. announced a new set of guidelines for performing CPR & for automatic & manual defibrillation. St. John' s defibrillator is under the medical directorship of Gold Cross Ambulance. Gold Cross did come out this month to reconfigure and update our unit. In order for St. John to stay under the medical direction of Gold Cross, we need to be CPR certified through them every 2 yrs. The time has come for recertification since our initial class. Many members of our church are CPR certified through other sources and we appreciate that. I' m looking for volunteers to participate in an on-site CPR class, on a Sat. in late Feb. or early March. Class size is limited to 10 people; if necessary I would arrange a second class. The cost of the class is paid by St. John. Please sign the sheet in the entryway at church if you are interested or call Denise Hess (920)788-4033.

**LENTEN SERVICES will be held at 10:30 AM and 7:00 PM starting Ash Wed. Feb. 21 – March 28.** A light supper will be served in the lower level of church from 6:00 – 6:45 PM. There will be a sign up sheet in the entryway for the supper. **You need to sign up if you plan to attend, the reason is that too much food was being wasted or there wasn' t enough to go around.**
